

1 INT.SCHOOL CORRIDOR.AFTERNOON

1

LEANNA Is walking to class as she bumps into someone.

BULLY 1

Watch where you're going...

The bully laughs and glares at Leanna.

BULLY 2

You know why don't you just get lost.

LEANNA

Why do I have to?

BULLY 1

Because I told you to and I'm the better one here not you.

A gang of bullies surround Leanna as one of the bullies gets some juice and pours it onto Leanna. SAVANNAH sees Leanna getting bullied and walks up to them.

SAVANNAH

And whats going on here?

As the gang member enters the bullies start to back away.

BULLY 2

(Intimidated)

It was nothing h-have an n-nice day Leanna.

SAVANNAH

It better be nothing.

The bullies walk away from Savannah and Leanna as Savannah sighs and looks at Leanna.

LEANNA

Thank you for helping me. I'm Leanna by the way.

Leanna holds out her hand to Savannah and Savannah shakes Leanna's hand.

SAVANNAH

My names Savannah it's nice to meet you, Leanna. You should've stood up for yourself you know?

LEANNA

Well, I'm not exactly the strongest person when it comes to confronting people...

SAVANNAH

Well...

Savannah looks left and right to make sure no people are around.

SAVANNAH

Actually I'll tell you in a more private place.

Leanna has a thinking expression as she nods and Savannah takes Leanna to a more private location.

2 EXT.SCHOOL FIELD.AFTERNOON

2

Leanna and Savannah walk towards a private location in the field as Savannah looks left and right again.

SAVANNAH

This is top secret. The only reason I'm telling you this is because I can see potential in you and the gang needs younger members like you.

Leanna looks at Savannah with a confused face.

LEANNA

So ...like a cult?

Savannah laughs as she looks at Leanna as she shakes her head

SAVANNAH

No, I'd say it's more like a family we look after each other like a family would. Just think about it. Would you like not to be bullied ever again~?

LEANNA

Hmm~I guess that would sound like a good pay off for being in something like a gang.

Savannah raises her eyebrow and smirks a little.

SAVANNAH

Don't forget the power and the status

you'll get as well. You saw how I didn't have to even fight those bullies to have them leave. That's the type of power being in a gang would give to you.

Savannah goes towards Leanna's ear.

SAVANNAH
(Whispers)
You wouldn't wanna miss that would you~?

LEANNA
I guess... Where is this gang anyways?

Savannah gets out her phone to show a map which shows the location of the gang.

SAVANNAH
If you are willing enough to join then meet the gang here.

She points on a spot on the map showing where the gang is located.

SAVANNAH
Only then will we tell you about the gang in more detail. It's too open here to mention the details. The note will show the location of the gang hideout. If you make up your mind I'll see you there.

Savannah gives Leanna a note of the location before leaving as Leanna looks at the note with intrigue.

LEANNA
(Pondering)
hmm...interesting.

3 INT.LEANNA'S BEDROOM

3

Leanna is sat on her bed as she is looking at the note that Savannah gave her.

LEANNA
(v/o)
Hmm...If I join this gang I won't get bullied...I'll have more of the power.

4.

Leanna lies back on her bed as she still looks at the note.

LEANNA

(v/o)

Do I really need the power though?
Will I be fine being bullied and
treated badly for the rest of my life?
Do I need the family they are
offering? I guess...It wouldn't hurt
to try if so many people are joining
it.

Leanna gets off her bed as she looks at the time on the note.

4 EXT.GANG HIDEOUT.LATE AFTERNOON

4

Leanna is walking between broken glass and wood as dogs bark
in the background. She comes across a broken door and looks
through the cracks of the door as she knocks on the door.

JENNY

Who is this? Who invited you?

LEANNA

Savannah invited me.

JENNY

Do you have any proof of this?

Leanna hands JENNY the note that Savannah gave to her.

JENNY

This looks like her handwriting...
Come in.

Leanna enters the room as she follows Jenny inside.

5 INT.GANG HIDEOUT. LATE AFTERNOON

5

Leanna looks around in amazement at how many people are in
the gang. Leanna and Jenny walks up to Savannah.

JENNY

Is this the person you sent for?

SAVANNAH

Yes, she is. Thank you for getting
her.

JENNY

Your welcome.

Jenny walks off as Savannah looks at Leanna.

SAVANNAH

Our gang is known as the Northern Guard. We control most of this area and many other areas of Manchester. We are part of the girl gang part of the gang. We also have males in the gang as well.

LEANNA

(Confused)

Wait...why is the Northern Guard split into two different gendered gangs?

Savannah sighs.

SAVANNAH

(Sarcastic)

The leader of the Northern Guard prefers for us to be split. Cause apparently it would keep us more focused with our tasks~.

Savannah rolls her eyes as she looks at Leanna.

LEANNA

So how do I become part of the gang?

SAVANNAH

I'm glad you asked kiddo! You'll have to do a simple task which is to steal from a store.

Savannah smirks.

SAVANNAH

If you want more respect then I think stealing jewellery or something riskier could lend you more credit~.

LEANNA

And will I get any help with this?

Savannah laughs playfully.

SAVANNAH

Oh my god, your so fucking cute~. What's the fun in that? No, we won't, however, we will have someone to keep an eye on you to make sure you have
